STATUS REPORT/MODIFICATION OF
CONDITION #28

Your Honor:

On August 1, 2017, the defendant made his initial appearance before the Court. The defendant was released on pretrial supervision.

On October 6, 2017, a violation report was submitted to the Court alleging the defendant had used methamphetamine and failed to report for random drug testing on three occasions. A violation hearing was scheduled for October 26, 2017, in Spokane to address the allegations.

Since the violations were submitted to the Court the defendant has reported for all random drug tests and treatment sessions. This officer has been in discussions with defense counsel and the United States Attorneys Office regarding the matters. The following joint recommendation would be recommended to the Court to resolve the violation issues: **The defendant shall continue under the condition of home detention with the added requirement of electronic/GPS monitoring.**
